30 Hudson Yards - Covington Law Firm - the 49th Floor Burling Room

Please bring a Government-issued ID and allow for about 15 minutes to get through security and the building's layout to get to the venue.

Step 1: We advise all guests to enter from the corner of 33rd Street and Hudson Boulevard.

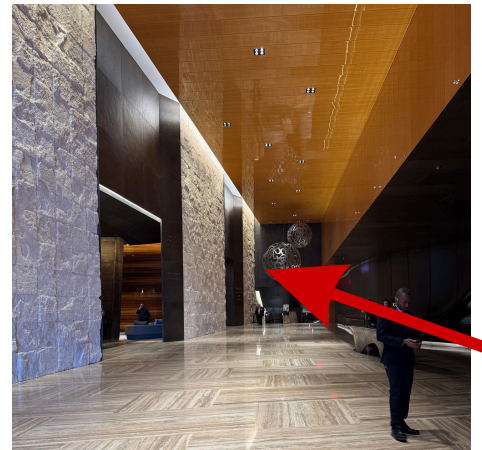

Step 2: After you enter the building, take the escalators or elevators up one floor.

Elevators are directly underneath the escalators, and you can take either to Floor 1L.

Step 3: Once you go up one floor, the Covington entrance will be down this hallway on your left. The Covington security desk will direct you to take elevators to the 35th floor Sky Lounge.

Step 4: From the Sky Lounge, walk away from the cafe, and toward this hallway to access another elevator bank, and take any elevator there to the 49th floor.

Thank you and looking forward to seeing you soon!
